From Your Editors

Dear Class of 2019,

It's been quite an eventful 4 years... Nonetheless, we managed to conclude this rollercoaster ride with huge smiles on our faces! We, the editors, would like to congratulate all of you prestigious students on your past and future endeavors.

Nowadays, there are countless amounts of content about our lives being shared across several different sources... From Snapchat to Instagram, it's basically impossible to capture all events that somehow marked each and every one of our lives over this past school year, not to mention the entirety of our high school experience. While we will probably continue to obsess over whatever the latest news will be, we must not let our high school memories fade.

A yearbook is about captivating the key moments of high school and all of the moments experienced during that school year. Our hope is that even as decades pass, whenever a proud member of the Manchester Essex Class of 2019 leafs through these pages, the photos and stories that each of them tell will jolt those memories back to life.

All of our hard work has finally paid off!

With love,
Kriza Baldow and Austin Paré
